Career Objective

Front-end Developer with proven experience in helping companies create and maintain a better code base for reusability. Passionate about learning and development with a desire to apply skills on a larger development team. Eager to tackle more complex problems and continue to find ways to maximize user efficiency.

How I Learned

I am from a non-cs background.I learned web development from youtube and other sources.I practiced some project like e-commerce.Then I seek to work with an IT company with full confidence.I am also a quick learner. And I am honestly very passionate to write code
